

## **Khalifa Ali bin Abu Talib - The Battle of Hunain**

### ***Confrontation at Autas***

The Holy Prophet posted a contingent to guard the pass, and led the main army to Autas on the other side of the defile in pursuit of the enemy. In the confrontation at Autas, the tribes could not withstand the onslaught of the Muslims. Finding the resistance useless, the tribes broke the camp and retired to Taif. Immense booty fell in the hands of the Muslims. This included 24,000 camels and 4000 Oqiyahs of silver. The number of persons taken captive exceeded six thousand.
