

Khalifa Ali bin Abu Talib - Ward of the Holy Prophet

Education of Ali

As the Holy Prophet was rich, it is certain that on taking over the responsibility for the maintenance of Ali, the Holy Prophet made the best possible arrangement for his education. Later in life, Ali came to enjoy reputation for being the most learned man of his age in Arabia. This points to the fact that the Holy Prophet took particular care in educating Ali, Ali was a precocious child, at an early age he came to master knowledge which others could hardly understand.
