

## **Khalifa Ali bin Abu Talib - Testament of Ali**

### ***Preparations for death***

Son, you are born for the Hereafter. Death lies in wait for you. Howsoever you may run from it, it will overreach you. You have to fall a victim to death sooner or later. Therefore be careful lest death comes to you before you have had the opportunity to repent. In that case you will be deemed to destruction. Son, you should be well prepared so that when death comes you have no regret.
