

## **Khalifa Ali bin Abu Talib - Ali, The Generous**

### ***A legend of the generosity of Ali***

It is related that on one occasion a supplicant approached Ali and asked him to give him some bread. Ali asked his slave Qanbar to attend to the supplicant. Qanbar came to Ali and said that the bread was in a saddle bag. Ali said, "Give him the saddle bag". At this Qanbar said that the saddle bag was on the camel. Ali said, "Give him the camel". Qanbar said that the camel was in a row of camels. Ali said, "Give him all of the camels".
