

## **Lut (Lot) - Description of the People of Sodom**

Prophet Abraham left Egypt accompanied by his nephew Lot , who then went to the city of Sodom (Sadum), which was on the western shore of the Dead Sea.

This city was filled with evil. Its residents waylaid, robbed and killed travelers. Another common evil among them was that men had sex with men instead of with women. This unnatural act later became known as sodomy (after the city of Sodom). It was practiced openly and unashamedly.
