

Yusuf (Joseph) - Jacob's Request to Find Joseph

The father was deeply hurt. Only prayer could comfort him and strengthen his faith and patience. Weeping all those years for his beloved son Joseph - and now one more of his best sons had been snatched from him - Jacob almost lost his sight.

The other sons pleaded with him: "O father, you are a noble prophet and a great messenger of Allah. Unto you descended revelation and people received guidance and faith from you. Why are you destroying yourself in this way?"

Jacob replied: "Rebuking me will not lessen my grief. Only the return of my sons will comfort me. My sons, go in search of Joseph and his brother; do not despair of Allah's mercy."
