

Sulaiman (Solomon) - Solomon's Travels

In Jerusalem, on a huge rock, Solomon built a beautiful temple to draw the people to worship Allah. Today this building is known as 'The Dome of the Rock.' From there, a large band of followers joined Solomon on pilgrimage to the Holy Mosque in Mecca. After they had completed their hajj, they traveled to Yemen and arrived in the city of Sana.

Solomon was impressed by their clever method of channeling water all over their cities. He was keen to build similar water systems in his own country but did not have enough springs.
