Sahih Al-Bukhari Hadith (Hadith 6.225)

Abdullah bin Umar

(While we were going for the Battle of Tabuk and when we reached the places of the dwellers of Al-Hijr), Allah's Apostle said about the dwellers of Al-Hijr (to us), "Do not enter (the dwelling places) of these people unless you enter weeping, but if you weep not, then do not enter upon them, lest you be afflicted with what they were afflicted with."
