

Surah 55. Ar-Rahman

Asad: In [each of] these two [gardens] will two springs gush forth.

Malik: In both of them there will be two gushing springs.

Pickthall: Wherein are two abundant springs.

Yusuf Ali: In them (each) will be two springs pouring forth water in continuous abundance: **5215**

Transliteration: Feehima AAaynani naddakhatani

Khatab:

In each will be two gushing springs.

Author Comments

5215 - In comparison with the Springs in the other two Gardens, described in lv. 50 above, these Springs would seem to irrigate crops of vegetables and fruits requiring a constant supply of abundant water.
