5895 - Note how the evidences of Allah and His beneficence are set out in four groups. (1) Look to external nature on the earth around you (verses 6-7); (2) your own nature, physical, mental and spiritual (verses 8-11); (3) the starry heavens, and the glory of the sun (verses 12-13); and (4) the interdependence of earth, air, and sky in the cycle of water, clouds, rain, corn and gardens, all serving in their several ways to further the whole plan of the World as it affects us. Can you not then believe that a Creator who does this will sort out Good and Evil on an appointed Day with real justice and power?
